STRATEGIC PRIORITIES/PLANNING WORKSHOP

Mr. Robert Heacock facilitated a strategic planning workshop with the Board. After his welcome and introduction, he led the Board through some icebreakers, discussed their perspectives on why they ran for office, and their views of Glendale currently. Mr. Heacock then had Mr. DeClue give a very brief retrospective on recent major accomplishments by the City over the past few years. Mr. Heacock then led the Board through an exercise designed to identify and discuss a series of shared potential priorities for the City over the next 3-5 years.

The Board identified the following priorities:

- Maintaining and improving staffing levels
- Strategically planning for better roads and sidewalks
- Create a strategic financial plan
- Improving communications with residents

Mr. DeClue then walked the Board through the master list of major projects currently being worked on in the City and associated various projects with the identified priorities.

Mr. Heacock concluded the workshop, and the Mayor declared the meeting adjourned at approximately 8:50 p.m.

These minutes are approved as amended/submitted this 6th day of June 2022.

Benjamin DeClue
City Administrator/Clerk
